

Promotes collective inclusion and encourages improvements for individuals with a diverse range of disabilities in: social, medical, educational and corporate environments. We aim to eliminate cross-cultural disability and language barriers by offering a one-stop service to address a range of issues. We seek excellence via our services, designed to engage and empower individual access and enhance cohesive communities throughout the UK.

Five Points to Remember: - To keep you safe whilst at work

- **Always – Text In to let us know you have arrived.**
- **Have you completed a risk assessment?**
- **Have you familiarised yourself with the Student's needs – Do you have all the information you need?**
- **Have you made yourself aware of the surroundings – where the exits are, where to sit?**
- **Always – Text to let us know you are Leaving.**
